

## U.S. Concrete Completes Purchase Of Bay Area Cementitious Terminal

April 21, 2021

**-The Company continues to diversify its regional assets and expand its terminal operations-**

EULESS, Texas, April 21, 2021 /PRNewswire/ -- [U.S. Concrete, Inc.](#) (NASDAQ: USCR), a leading supplier of aggregates and ready-mixed concrete in active construction markets across the country, announced today that it has acquired an operational cementitious terminal, bulk storage facility, and approximately eight and a half acres of land with access to the Port of Stockton, California.

"I am pleased to announce this strategic acquisition which provides better control of our supply chain and cementitious supply in the Bay Area," said Ronnie Pruitt, U.S. Concrete President and Chief Executive Officer. "We expect that this acquisition will benefit our West Region in the short-term and provide long-term shareholder value. With the supply of our Orca aggregates through our existing Polaris terminal operations and now the addition of cementitious materials with this acquisition, we are building sourcing options into this market which will improve margins over the long-term while successfully fulfilling our strategic growth initiatives."

### About U.S. Concrete

[U.S. Concrete, Inc.](#) (NASDAQ: USCR) is a leading supplier of aggregates and concrete for infrastructure, residential and commercial projects across the country. The Company holds leading market positions in the high-growth metropolitan markets of Dallas/Fort Worth, San Francisco, New York City, Philadelphia, and Washington, D.C., and its materials have been used in some of the most complex and highly specialized construction projects of the last decade. U.S. Concrete has continued to grow organically and through a series of strategic acquisitions of independent producers in its target markets.

### CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING STATEMENTS

Certain statements and information provided in this press release are "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. These forward-looking statements include, without limitation, statements concerning plans, objectives, goals, projections, outlook, strategies, future events or performance, and underlying assumptions and other statements, which are not statements of historical facts. In some cases, you can identify forward-looking statements by terminology such as "may," "will," "intend," "should," "expect," "plan," "target," "anticipate," "believe," "estimate," "outlook," "predict," "potential" or "continue," the negative of such terms or other comparable terminology. These forward-looking statements, which are subject to risks, uncertainties and assumptions about us, may include projections of our future financial performance, our anticipated growth strategies and anticipated trends in our business. These statements are predictions based on our current expectations and projections about future events which we believe are reasonable. Actual events or results may differ materially.

By their nature, forward-looking statements involve risks and uncertainties because they relate to events and depend on circumstances that may or may not occur in the future. We believe that these risks and uncertainties include, but are not limited to: general economic and business conditions, which will, among other things, affect demand for new residential and commercial construction; our ability to successfully identify, manage, and integrate acquisitions; the cyclical nature of, and changes in, the real estate and construction markets, including pricing changes by our competitors; governmental requirements and initiatives, including those related to mortgage lending, financing or deductions, funding for public or infrastructure construction, land usage, and environmental, health, and safety matters; disruptions, uncertainties or volatility in the credit markets that may limit our, our suppliers' and our customers' access to capital; our ability to successfully implement our operating strategy; weather conditions; our substantial indebtedness and the restrictions imposed on us by the terms of our indebtedness; the effects of currency fluctuations on our results of operations and financial condition; our ability to maintain favorable relationships with third parties who supply us with equipment and essential supplies; our ability to retain key personnel and maintain satisfactory labor relations; and product liability, property damage, results of litigation and other claims and insurance coverage issues. These risks and uncertainties also include the effects of COVID-19; the length and severity of the COVID-19 pandemic; the pace of recovery following the COVID-19 pandemic; our ability to implement cost containment strategies; and the adverse effects of COVID-19 on our business, the economy and the markets we serve.

Although we believe that the expectations reflected in the forward-looking statements are reasonable, we cannot guarantee future results, levels of activity, performance or achievements. Moreover, neither we nor any other person assumes responsibility for the accuracy and completeness of the forward-looking statements. All written and oral forward-looking statements made in connection with this press release that are attributable to us or persons acting on our behalf are expressly qualified in their entirety by the "Risk Factors" in our Annual Report on Form 10-K and our Quarterly Reports on Form 10-Q filed with the Securities and Exchange Commission. We are under no duty to update any of the forward-looking statements after the date of this press release to conform such statements to actual results or to changes in our expectations, except as required by federal securities laws. There can be no assurance that other factors will not affect the accuracy of these forward-looking statements or that our actual results will not differ materially from the results anticipated in such forward-looking statements. Unpredictable or unknown factors we have not discussed in this press release also could have material effects on actual results or matters that are the subject of our forward-looking statements. We undertake no obligation to, and do not intend to, update our description of important factors each time a potential important factor arises.
