U.S. Concrete to Present at the Davenport Infrastructure and Basic Industry 1x1 Conference

HOUSTON, TX--(Marketwire - February 28, 2011) - U.S. Concrete, Inc. (NASDAQ: [USCR](#)) announced today that Michael W. Harlan, U.S. Concrete's President and Chief Executive Officer, and James C. Lewis, Senior Vice President and Chief Financial Officer, are scheduled to participate in the Davenport Infrastructure and Basic Industry 1x1 Conference on Thursday, March 3, 2011. The conference will be held at the Intercontinental New York Barclay Hotel, located at 111 East 48th Street, New York, New York 10017.

U.S. Concrete services the construction industry in several major markets in the United States through its two business segments: ready-mixed concrete and concrete-related products; and precast concrete products. The Company has 101 fixed and 11 portable ready-mixed concrete plants, seven precast concrete plants and seven producing aggregates facilities. During 2009 (including acquired volumes), these plant facilities produced approximately 4.0 million cubic yards of ready-mixed concrete and 3.0 million tons of aggregates.
